EDUCATION

2027-2029
M. Tech in Computer Science
IIT DELHI

2023-2027
B. Tech in Computer Science
Lovely Professional University

2020-2022
Senior Secondary
h.S.V COLLEGE, Ramgarhwa

2019-2020
Matriculation
SGM Secondary School , Ramgarhwa

TECHNICAL SKILLS

Programming languages: -
Python, C, C++, Java

Web Technologies: -
HTML5, CSS, JavaScript, Node.js, React.js, PHP

Data Management: -
MySQL, MongoDB, Unix

POWER SKILLS

- Leadership
- Communication
- Critical Thinking
- Adaptability
- Intuitive
- Empathy
- Work Ethic
- Teamwork
- Multi-tasking
- Resilient

PROFILE SUMMARY

As a Software Developer, I bring a fervent passion for leveraging cutting-edge technologies to solve complex problems. With a solid foundation in Developing principles and strong foundation in DSA concepts, proficient in Java, TensorFlow, and scikit-learn. Skilled in developing and deploying with expertise in data preprocessing, computer vision, and big data technologies. I Possesses strong analytical abilities, effective communication skills, Good with teamwork and a proactive approach to problem-solving

INTERNSHIPS

1. **Software Developer Intern**

   Google | May'25-Nov'25

   - Worked on a recommendation engine project aimed at enhancing user engagement on a popular e-commerce platform.
   - Leveraged machine learning algorithms to provide personalized product recommendations to users based on their browsing history and preferences.
   - Collaborated with team members to design and implement new features and improvements of platform.

2. **Full Stack Web Development Intern**

   Amazon | May'26-Nov'26

   - Worked on developing and maintaining web applications using front-end technologies such as HTML, CSS, and JavaScript, as wellas back-end technologies such as Node.js and AWS services.
   - Collaborated with team members to design and implement new features and improvements for a high-traffic e-commerce website. Gained hands-on experience with Agile software development methodologies, as well as Amazon's internal tools and systems.

CERTIFICATIONS

- **Microsoft Certified:**
  Proficient in foundational AI concepts and Azure AI services. Skilled in machine learning, artificial intelligence, and data science principles. Capable of identifying and implementing AI solutions using Azure Cognitive Services, Azure Machine Learning, and Azure Bot Service. Dedicated to continuous learning in the evolving field of artificial intelligence.

PROJECTS

- **Social Media Network: -**
  Domain: - Web Application
  Programming Languages: - HTML, CSS, JavaScript, Nodejs.
- **Local Train Ticketing Android Project**
  Domain: - Software Developer
  Programming Languages: Python, JavaScript, Java.
